Monday, 19th of June

Lecture Hall of the Clinic of Cardiology

Imaging tools in cardiovascular disease

Chaipersons: *Benedek Theodora, Chițu Monica*

09:00 - 09:45 – Benedek Imre
09:45 - 10:30 – Benedek Theodora
10:30 - 11:15 – Chițu Monica
11:15 - 12:00 – Kovács István
12:00 - 12:45 – Condrea Sebastian

Tuesday, 20th of June

Lecture Hall of the Clinic of Cardiology

European Recommendations in peripheral artery disease

Chaipersons: *Kovács István, Kelemen Piroska*

09:00 - 10:00 – Kelemen Piroska
10:00 - 11:00 – Makó Katalin
11:00 - 12:00 – Kovács István
12:00 - 13:00 – Magdás Annamária
13:00 - 14:00 – Jeremiás Zsuzsanna

Wednesday 21st of June

Lecture Hall of the Clinic of Cardiology

09:00 : 12:45

Cardiovascular prevention course

Chairpersons: Kovács István, Kelemen Piroska

09:00 - 09:45 – Preg Zoltán

09:45 - 10:30 – Germán-Salló Márta, Bajka Balázs

10:30 - 11:15 – Tatár Márta, Rápolti Emese

11:15 - 12:00 – Albert István, Kovács István

12:00 - 12:45 – Rápolti Emese

Amphitheater 1

Emergency Clinical County Hospital Tîrgu Mureş

14:00 : 15:20

Joint session of the Romanian and Hungarian Societies of Cardiology (I)

Chairpersons: Benedek Imre, Kiss Róbert Gábor

14:00 - 14:20 – **Benedek Imre** (*Tîrgu Mureş, Romania*) - New concepts that changed the cardiology practice - our perspective

14:20 - 14:40 – **Forster Tamás** (*Szeged, Hungary*) – Long-term follow up of patients with congenital heart diseases: the CSONGRAD Registry

14:40 - 15:00 – **Iancu Adrian** (*Cluj Napoca, Romania*) -Coronary wedge pressure as a predictor of left ventricular remodeling after acute myocardial infarction

15:00 - 15:20 – **Kiss Róbert Gábor** (*Budapest, Hungary*) - Complex cardiac rehabilitation as a nonpharmacological antiplatelet tool among ACS survivors

15:20 - 15:40 Trinomia, Aflen Symposium - Polypill – a new therapeutic strategy

15:40 - 18:20

Joint session of the Romanian and Hungarian Societies of Cardiology (II)

Chairpersons: Cintează Mircea, Merkely Béla

15:40 - 16:00 – **Cintează Mircea** (*Bucharest, Romania*) - Major bleeding and their therapy with new anticoagulants

16:00 - 16:20 – **Varga Albert** (*Szeged, Hungary*) - Cardiac device-related infective endocarditis

16:20 - 16:40 – **Gherasim Leonida** (*Bucharest, Romania*) - Personalized medicine: actuality and limits

16:40 - 17:00 – **Simor Tamás** (*Pécs, Hungary*) - MRI in myocardial infarction

17:00 - 17:20 – **Bartoş Daniela** (*Bucharest, Romania*) – Uncontrolled Arterial Hypertension – what strategy to adopt?

17:20 - 17:40 – **Benedek Theodora** (*Tîrgu Mureş, Romania*) – From vulnerable plaque to vulnerable patient

17:40 - 18:00 – **Merkely Béla** (*Budapest, Hungary*)- Non-pharmacological treatment of heart failure

18:00 - 18:20 – **Gellér László** (*Budapest, Hungary*) - Paradigm shift in the management of Atrial Fibrillation

18:20 - 18:40 **Bayer Symposium**

Benedek Theodora – „*PIONEER AF-PCI: First prospective Study in Patients with AF Undergoing PCI taking a NOAC*”

Benedek Imre - „*Rivaroxaban: Clinical Development Programme*”

18:40 -19:10 – Round table with general practitioners

Thursday 22nd of June

Amphitheater I

09:00 - 09:30 – Opening ceremony

09:30 – 11:00

Interdisciplinarity in Cardiology (I)

Chairpersons: *Benedek Theodora, Merkely Béla, Tatu Chițoiu Gabriel*

09:30 - 09:45 – **Benedek Theodora** (*Tîrgu Mureș, Romania*) - Interdisciplinary approaches in modern medical research

09:45 - 10:00 – **Merkely Béla** (*Budapest, Hungary*) – Sudden cardiac death in athletes

10:00 - 10:15 – **Rezuș Ciprian** (*Iași, Romania*) – Particularities of Heart Failure in Rheumatological Disorders

10:15 - 10:30 – **Tatu Chițoiu Gabriel** (*București, Romania*) – Electrocardiogram in evaluation the myocardial reperfusion in STEMI

10:30 - 10:45 – **Iliescu Radu** (*Iași, Romania*) – Renal denervation and activation of baroreflexes: a sympathetic view on arterial hypertension

10:45 - 11:00 – **Petriș Antoniu** (*Iași, Romania*) – Modern treatment of venous thromboembolism – doctor versus karma

11:00 – 11:15 – Coffee break

11:15 – 12:30

Interdisciplinarity in Cardiology (II)

Chairpersons: *Rezuș Ciprian, Chițu Monica*

11:15 - 11:30 – **Lázár Erzsébet** (*Tîrgu Mureș, Romania*) – Stem cell therapies in cardiovascular disease

11:30 - 11:45 – **Mureșan Adrian** (*Tîrgu Mureș, Romania*) – Treatment of symptomatic carotid artery stenosis

11:45 - 12:00 – **Mártha Krisztina** (*Tîrgu Mureș, Romania*) – Periodopathogens and fixed orthodontic treatment

12:00 - 12:15 – **Molnar Călin, Nicolescu Cosmin** (*Tîrgu Mureș, Romania*) – Endovenous treatment in varicose veins

12:15 - 12:30 – **Cernea Simona** (*Tîrgu Mureș, Romania*) – Cardio-reno-metabolic correlations in type 2 diabetes mellitus

12:30 – 12:45 - Coffee break

12:45 - 14:45

Cardiac Imaging

Chairpersons: *Benedek Theodora, Maurovich Horváth Pál*

12:45 - 13:00 – **Benedek Theodora** (*Tîrgu Mureş, Romania*) - Imaging-based predictors of no-reflow phenomenon

13:00 - 13:45 – **Maurovich Horváth Pál** (*Budapest, Hungary*) - The effect of preventative medication on coronary atherosclerosis

13:45 - 14:00 – **Forster Tamás** (*Szeged, Hungary*) - Clinical application of 3D speckle tracking echocardiography

14:00 - 14:15 – **Varga Albert** (*Szeged, Hungary*) - Stress echo in valve diseases

14:15 - 14:30 – **Apor Astrid** (*Budapest, Hungary*) – Novelties in 3D echocardiography

14:30 - 14:45 – **Simor Tamás** (*Pécs, Hungary*) - Cardiovascular MRI in Ischemic Heart Disease

14:45 – 15:30 - Lunch break

15:30 - 16:15

Electrophysiology

Chairpersons: *Benedek Imre, Geller Laszlo*

15:00 - 15:30 - Live case – crioablation for atrial fibrillation

15:30 - 15:45 – **Gellér László** (*Budapest, Hungary*) – The role of substrate modification in ventricular tachycardia ablation

15:45 - 16:00 – **Földesi Csaba** (*Budapest, Hungary*) - Current questions in cryoablation for atrial fibrillation

16:00 - 16:15 – **Kovács István** (*Tîrgu Mureş, Romania*) – Role of cardiac imaging in determining the indication for ablation in atrial fibrillation

16:15 – 16:30 – Coffee break

16:30 - 17:30

Interdisciplinarity in Cardiology (III)

Chairpersons: *Dorobanţu Maria, Benedek Imre*

16:30 - 16:45 – **Dorobanţu Maria** (*Bucharest, Romania*) – Particularities of coronary artery disease in hypertensive women

16:45 - 17:00 – **Gyöngyösi Mariann** (*Vienna, Austria*) – Stem cell therapies - update

17:00 - 17:15 – **Germán-Salló Márta**, Preg Zoltán (*Tîrgu Mureş, Romania*) – Small vessels big problems? Arterial hypertension and microvascular disease – new frontiers?

17:15 - 17:30 – **Pârvu Mirela** (*Tîrgu Mureş, Romania*) – Behind appearances – chronic inflammation and cardiovascular disease in rheumatologic disorders

17:30 - 17:45- *Coffee break*

17:45- 18:45

Interdisciplinarity in Cardiology (IV)

Chairpersons: *Radu Iliescu, Kovács István*

17:45 - 18:00 – **Tilinca Mariana** (*Tîrgu Mureş, Romania*) – Obesity and cardiovascular disorders

18:00 - 18:15 – **Muntean Iolanda** (*Tîrgu Mureş, Romania*) – D-transposition of the great vessels – an interdisciplinary challenge

18:15 - 18:30 – **Mitre Adriana** (*Tîrgu Mureş, Romania*) – The role of imaging methods in guiding the resynchronization therapies

18:30 - 18:45 – **Chibelea Călin** (*Tîrgu Mureş, Romania*) - Prostatic cancer: pros and cons against screening

Friday, 23rd of June

Amphitheater 1

09:00 - 11:00

STEMI networks

Chairpersons: *Benedek Imre, Hlinomaz Ota*

09:00 - 09:15 – **Benedek Imre** (*Tîrgu Mureș, Romania*) – Regional Registry of Myocardial Infarction in Central Romania – Update

09:15 - 09:30 – **Ruzsa Zoltán** (*Budapest, Hungary*) – Myocardial Infarction Registry in the Cardiology Center of Semmelweis University

09:30 - 09:45 – **Aradi Dániel** (*Budapest, Hungary*) – Our experience regarding hypothermia in STEMI

09:45 - 10:00 – **Moț Ștefan** (*Cluj, Romania*) – STEMI in the Cluj Heart Institute after 20 years...pluses and minuses in treatment of STEMI

10:10 - 10:15 – **Nedelciuc Igor** (*Iași, Romania*) – Implementing the national program for myocardial infarction revascularization in Iași: statistics and perspectives

10:15 - 10:30 – **Popa Virgil** (*Oradea, Romania*) – Interventional treatment in STEMI – Multiple scenarios

10:30 - 10:45 – **Postu Marin, Lucian I Predescu** (*Bucharest, Romania*) – Interventional cardiology in Romania in the last three years of activity

10:45 - 11:00 – **Popovici Ion** (*Chișinău, Republic of Moldova*) – The AMI revascularization program in the Republic of Moldova – realizations and problems in 3 years of progress

11:00 - 12:00 - Workshop

Computational Medical Imaging in Cardiology Organized together with the Computational Medicine Center Cardiomed and Petru Maior University of Tîrgu Mureș

12:00 - 13:00

Official opening of CardioIMAGE platform

13:00 - 14:00 Astra Zeneca Symposium

12:00 - 12:20 – **Benedek Imre** – Adherence to the antiplatelet therapy – the premise of an optimal therapeutic benefit

12:20 - 13:00 – **Benedek Theodora** – Antiplatelet therapy in patients with ACS and increased ischemic and hemorrhagic risk

14:00 - 15:00

Imaging tools for interventional treatment in cardiovascular disease

Chairpersons: *Hlinomaz Ota, Moț Ștefan*

14:00 - 14:15 – **Benedek Imre** (*Tîrgu Mureș, Romania*) – New frontiers in interventional cardiovascular imaging

14:15- 14:30 – **Hlinomaz Ota** (*Brno, Czech Republic*) - Intracoronary imaging -when do I use it.

14:30 - 14:45 – **Ruzsa Zoltán** (*Budapest, Hungary*) – Utility of IVUS and FFR in acute coronary syndromes

14:45 - 15:00 – **Édes István Ferencz** (*Budapest, Hungary*) – The role of OCT in acute coronary syndromes

15:00 - 15:15 – **Țilea Ioan** (*Tîrgu Mureș, Romania*) – Current strategies in left main percutaneous coronary angioplasty

15:15 - 15:30 – **Chițu Monica** (*Tîrgu Mureș, Romania*) –Imaging tools for the interventional approach of structural cardiac disease

15:30 - 15:45 – **Benedek Theodora** (*Tîrgu Mureș, Romania*) - PlaquelImage trial design

15:45 - 16:00 - **Mureșan Gavrilăș** (*Bistrița, Romania*) – The role of a private center in the healthcare system – experience from Bistrita

Saturday 24th of June

09:00 : 13:00

Nurse session

Comitetul științific

Prof. Dr. Benedek Imre

Professor of Cardiology, Interventional Cardiology and Internal Medicine, University of Medicine and Pharmacy Mures, Romania

Founder of the Clinic of Cardiology, County Clinical Emergency Hospital Tirgu Mures

President of the working group of transborder hungarian cardiologists, Hungarian Society of Cardiology

Editor in chief Journal of Cardiovascular Emergencies

Prof. Dr. Merkely Béla

Vice President of European Society of Cardiology (since 2016)

Chairman – Semmelweis University Heart and Vascular Center (since 2012)

Head of the Laboratory of Hemodynamics – Saint George Hospital of the County of Fejér, Hungary (since 2013)

Vice Rectorial Counsellor – Semmelweis University (since 2013)

Dr. Tatu Chițoiu Gabriel

President of the Romanian Society of Cardiology

Floreasca Emergency Hospital, Bucharest

Prof. Dr. Benedek Theodora

Professor of cardiology and internal medicine

Director of the Department of Internal Medicine UMF Tîrgu Mureș

Expert Evaluator and Rapporteur of European Commission in FP7 and Horizon 2020 programmes

Head of the Center of Advanced Multimodal Cardiac Imaging, Cardio Med Medical Center

President of the Committee for Scientific Research of the Senate University

Editor in chief Journal of Interdisciplinary Medicine

Dr. Apor Astrid

Fő szakmai érdeklődési területem a non-invazív cardiovascularis diagnosztika és az echocardiographia. A magyar és angol nyelvű graduális és posztgraduális oktatásban való részvétel egyik legkedvesebb tevékenységem 2000 óta.

2006-ban és 2012-ben az év orvosa címet, 2009-ben a Semmelweis Egyetem kiváló dolgozója kitüntetését nyertem el. Az ér- és szívbetegségek új non-invazív diagnosztikai lehetőségei terén végzett tudományos munkáim eredményei magyar és nemzetközi folyóiratokban is közlésre kerültek. 2009-ben a TÁMOP nemzetközi kutatási projekt keretében 1 hónapos amerikai tanulmány úton jártam.

Dr. Aradi Dániel

Assistant professor at Heart Center Balatonfüred and Heart and Vascular Center, Semmelweis University, Budapest.

Medical director at CardioMobile

PhD degree in 2010

Author of 50 international publications of 200 impact factors and 500 citations

Member of the Working Group on Thrombosis of the European Society of Cardiology (ESC)

Prof. Dr. Bartoș Daniela

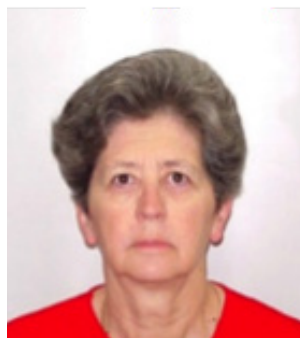

Internal Medicine Department, Clinical Emergency Hospital Bucharest, Romania

Specialist: Cardiologie, Medicină Internă, Sănătate Publică

Doctor în Științe Medicale

Tema de doctorat în Medicină Internă cu titlul: 'Aspecte anatomo-clinico-metabolice și evolutive în pancreatitele acute'

1996 – 2000 Vicepresedinte Comisia pentru Sănătate și Familie, Camera Deputaților

Șef de lucr. Dr. Cernea Simona

Șef de lucrări Departament M3/Disciplină Medicină Internă- Medicală IV

Medic primar Diabet zaharat, Nutriție și Bol iMetabolice

Specializare și studii post-doctorale în Israel, Italia, Statele Unite ale Americii

Investigator principal/membru în echipe de studii clinice fază I-IV; Coordonator Național în 2 studii clinice multicentrice, multinationale, membru in Steering Committee pentru studiul DECLARE-TIMI58

Şef de lucr. Dr. Chibelelean Călin

Doctor în științe medicale

Medic primar urolog

Experiență: chirurgie oncologică urologică, chirurgie reconstructivă urologică, chirurgie de transplant, urologie funcțională, tratamentul chirurgical al incontinenței urinare, tratamentul multimodal al litiazei aparatului urinar.

Şef de lucr. Dr. Chițu Monica

Medic primar cardiolog

Şef de lucrari Departamentul M3

Competență în cardiologie intervențională,

Competență în ecocardiografie transtoracică

Doctor in științe medicală

Experiență: cardiologie intervențională, ecocardiografie, cercetare medicală în cardiologie

Prof. Dr. Cintează Mircea

Prof. Mircea Cintează, specialitate Medicină Internă și Cardiologie

Absolvent al IMF București (actuală UMF Carol Davila) în 1975

Lucrez în Clinica de Medicină Internă și Cardiologie (azi secția de Cardiologie) a Spitalului Universitar de Urgența București încă de la deschiderea acestuia, în 1978, devenind aici profesor universitar prin concurs în 1999

Sunt autor a peste 100 de lucrări științifice publicate pe PubMed

Prof. Dr. László Gellér

Is an associate professor at the Semmelweis University, Heart Center, he is a head of electrophysiology department.

He is a Member of Hungarian Society of Cardiology, member of the Board of Hungarian Society of Cardiology, Past President of Arrhythmia and Electrophysiology Workgroup of Hungarian Society of Cardiology (2010-2013) and the Vice-President of Hungarian Society of Cardiology (2010-), member of the European Society of Cardiology and Member of International Society for Heart Research.

Şef de lucr. Germán Salló Márta

Head of the Cardiovascular Rehabilitation Clinic Clinical Emergency County Hospital
Tirgu Mures, Romania

Prof. Dr. Gherasim Leonida

Profesor universitar la Facultatea de Medicină din [Bucureşti](#)

Membru de onoare al [Academiei Române](#).

Leonida Gherasim este autorul a nenumărate lucrări ştiinţifice şi tratate în domeniul [medicinii interne](#), cu contribuţii esenţiale în patologia arterelor coronariene, insuficienţa cardiacă, hipertensiunea arterială, metodele de explorare neinvazive şi terapia modernă a bolilor cardiovasculare.

Prof. Dr. Gyöngyösi Mariann

Works at the Dept. Cardiology, Medical University of Vienna, Austria. She was born in Hungary, Austrian citizen since 2002. Education (physician, qualification in internal medicine and cardiology) in Albert Szent-Györgyi Medical University, Szeged, Hungary. Ph.D. in 1995. Habilitation at the Medical University of Vienna (Cardiology) in 2002. Fellow of the European Society of Cardiology 2006.

Prof. Dr. Dorobanţu Maria

Profesor universitar, Şef Clinica de Cardiologie la Spitalul Clinic de Urgenţă Bucureşti, Universitatea de Medicina si Farmacie "Carol Davila" Bucureşti

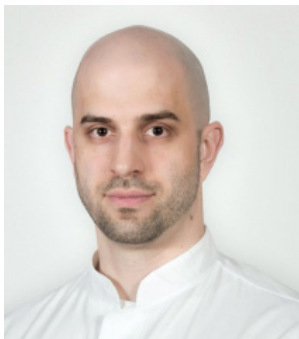

Visiting Professor la Northwestern University, Chicago, SUA.

Preşedinte al Societaţii Române de Hipertensiune (SRH)

Preşedinte al Fundaţiei "Viaţa fără Hipertensiune"

Organizator al Congreselor Naţionale de Hipertensiune

Șef de lucr. Dr. Édes István Ferenc

2005-ben diplomáztam Debrecenben summa cum laude minősítéssel. Egyetemi éveim alatt az Egyesült Államokban és Németországban jártam tanulmányutakon. A diploma megszerzése után a DEOEC Doktori Iskola Ph.D. hallgatója voltam, majd 2007-ben a SE Kardiológus Központi Gyakornoki posztot nyertem el. Elméleti és gyakorlati szakmai érdeklődésem: a myocardialis kontrakció sejtszintű modellezése és vizsgálata, ill. az intervenciós kardiológia.

Prof. Dr. Földesi Csaba László

Head of department of Pacing and Clinical Electrophysiology of the „György Gottsegen” Hungarian Institute of Cardiology in Budapest.

This department is one of the leading electrophysiology center in Hungary beside the standard electrophysiology care (EP studies, standard and complex ablations, pace-maker/ICD implantations and explantation) it is dedicated for pediatric and cryoablations and an international training center for Medtronic, Johnson&Johnson and the St. Jude Medical companies.

Prof. Dr. Forster Tamás

A Magyar Kardiológusok Társaságának volt elnöke

2015 Semmelweis-díj

Szegedi Tudományegyetem, Általános Orvostudományi Kar, II. számú belgyógyászati klinika

Prof. Dr. Hlinomaz Ota

University of Brno

Head of the Cardiac Catheterisation Laboratory, Brno (Czech Republic) and Sofia (Bulgaria)

Conf. Dr. Iancu Adrian

Is an Associate Professor in Cardiology at "Iuliu Hațieganu" University of Medicine and Pharmacy Cluj-Napoca, head of the 3-rd Departament at Clinic of Cardiology.

Among clinical studies in the field of interventional cardiology, during the last four years, Dr. Iancu's research was also focused in the area of acute myocardial infarction, carotid stenting, treatment of carotid in-stent restenosis and the antiagregant therapy in coronary stenting. Significant research issues have been spent by therapies focused toward the microvascular obstruction in acute myocardial infarction.

Prof. Dr. Kiss Róbert Gábor

Dr. med. habil. Kiss Róbert Gábor, doctor în științe medicale a absolvit Facultatea de Medicină Generală al Universității Semmelweis din Budapesta. După anii de rezidențiat a obținut diploma de specializare în medicină internă, respectiv în cardiologie. În prezent este șeful Secției de cardiologie a Clinicii Honvéd (Hungarian Defence Forces Medical Center), Budapesta și fostul președinte al Societății Maghiare de Cardiologie. Membru al Societății Europene de Cardiologie, al Colegiului American de Cardiologie menține multiple relații internaționale cu Belgia (Catholic University of Leuven, University of Liege, University of Antwerp), Wiena (Allgemeine Krankenhaus), câștigând împreună granturi de cercetare.

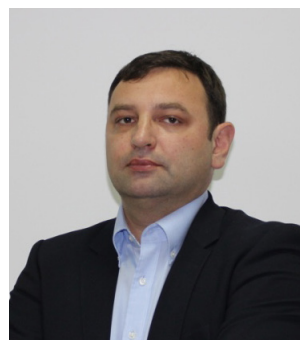

Șef lucr. Dr. Kovács István

Medic specialist cardiolog

Medic primar interne

Competență în cardiologie intervențională

Șef de lucrări. Universitatea de Medicină și Farmacie Târgu Mureș

Conf. Dr. Lázár Erzsébet

Dr. Benedek Lazar Erzsébet medic primar hematolog și de medicina internă, competență în transplantul de maduva și celule stem hematopoietice

Sef de Lucrari la UMF Tg- Mures Catedra de mMedicina de Familie

15 ani experienta in transplantul de celule stem inclusiv izolare magnetica, plasmafereza, terapie celulara

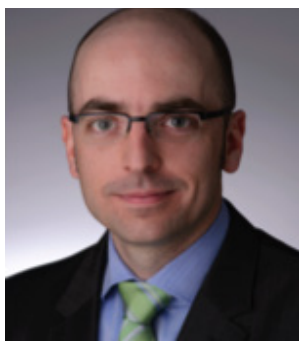

Membru EBMT(European Bone Marrow Transplantation) și sef al comisiei Outreach al EBMT din 2010

Conf. Dr. Mártha Krisztina

Assoc. Prof. Dr. Krisztina Mártha is a senior specialist in Orthodontics and Dentofacial Orthopedics, specialist in General Dentistry. She received her PhD degree in 2008 at the Faculty of Dental Medicine, University of Medicine and Pharmacy of Tîrgu Mureş, the topic of the PhD thesis was "Clinical, immunohistochemical and microbiological evaluation of muco-gingival tissues after fixed orthodontic therapy". She is author and coauthor of six monographs of orthodontics and pediatric dentistry diagnostic and treatment procedures. Her main interests are periodontal behaviour during fixed orthodontic therapy, genetic background of non-syndromic hypodontia, enamel behaviour and white spot lesions after debonding.

Prof. Dr. Maurovich-Horvát Pál

Pál Maurovich-Horvát, MD, PhD, MPH, Assistant Professor, is the director of the Cardiovascular Imaging Research Group at the Semmelweis University in Budapest, Hungary.

Dr. Maurovich-Horvát graduated from the Semmelweis University in 2006, completed his residency at Heart and Vascular Center of the Semmelweis University, which was followed by a three-year long cardiovascular imaging research fellowship at Massachusetts General Hospital and Harvard Medical School. Dr. Maurovich-Horvát studied clinical effectiveness at the Harvard University, School of Public Health, where he graduated in 2012.

Șef lucr. Dr. Mitre Adriana

Senior cardiologist, Emergency Institute for Cardiovascular Diseases and Transplantation

Major interest in echocardiography, heart failure, and cardiac resynchronization therapy

Prof. Dr. Molnar Călin

Conferențiar Clinica Chirurgie 1, Spitalul Clinic Județean de Urgență Tîrgu-Mureş

Șeful Secției Chirurgie 1, Spitalul Clinic Județean de Urgență Tîrgu-Mureş

Membruales in Senatul UMF Tîrgu-Mureş

Membru– Consiliul Departamentului M5, UMF Tg.Mureş

Președinte – Comisia pentru problem Studentești din cadrul Senatului UMF Tîrgu-Mureş

Membru – Comisia pentru problem Studentești din cadrul Facultății de Medicină a UMF Tîrgu-Mureş
